

Woodridge Community Club News Letter

The 2024 Christmas Craft and Bake Sale on December 7th was a fantastic event for all. We were able to sell out all 36 tables, which consisted of 28 vendors from near and far. There was a variety of mostly homemade/ handmade giftware, decor, floral arrangements, stocking stuffers, baked and canned goods plus more. Woodridge Community Club would like to extend a huge thank you to all of the volunteers who made this day so successful! We thank all of the people involved, including the crafters, visitors, the canteen ladies, the ones who helped set up and clean up and all of those who donated silent auction prizes.

Outdoor Rink

Woodridge Outdoor Rink is one of the few community Rinks in the RM of Piney. Thanks to the Community club and all of the volunteers we have ice this year!! Mother Nature has both hindered and helped us along the way. Last year the Club built a heated skate shack with a front row view of the rink.

Through the Christmas holidays the rink and skate shack have been well used! We would like to thank the community and those who use the rink for their continued respect of the property. Thank you to everyone who takes the time to shovel while they skate, by keeping the ice clean we are able to continually improve the ice condition.

Woodridge Monthly Unsung Hero

Brian Burnell is a wonderful neighbour who is always taking care of others. His friendliness and kindness does not go unnoticed, especially to everyone on Third Street West. Your hard work is very appreciated by the community. This winter has been a challenge to keep driveways clear, and the snow banks left behind by the grader removed. But Brian has been a great help to those in need! We thank you for everything you continue to do for the community!!
